

*****REQUEST FOR PROPOSAL NOTICE*****

2019 Mowing / Brush Hogging

Great Hawk Owners Association Common Land Fields, Rochester, VT.

Locations:

1. Lower Leaching field - Boundaries of Maple Hill Rd, Access Rd, Forest Ln, woods line, private property boundaries.
2. Upper Leaching Field - Boundaries of Austin Hill Rd, Access Rd, Eagles Lair Rd, Meadow Hawk Ln, woods line, private property boundaries.
3. Recreation Field - includes sledding hill behind Tennis Courts - Boundaries of tennis courts, play ground, woods line, private property boundaries.

Work Description:

The designated field areas will be completely mowed to an approximate height of 6-8 inches in length using properly sharpened mower blades. Cutting will include steep slopes, along stone walls, fence lines, around all trees, rock outcroppings, sewer man-holes, any wet locations, ditches, and up to the edge of all roadways. Any obstacles that are inaccessible for the mower will be string/blade trimmed. Any debris, grass, etc. that may be deposited on road ways or driveways during this operation will be completely removed. Care will be taken not to damage manholes, vertical vent pipes, and trees.

The field mowing will be performed twice in the 2019 growing season at a time directed by the GHOA. Depending on growth rate and field conditions the first cutting will commence during mid-June/early-July and the second cutting will be completed in late-September/early-October. Once the field mowing has been started, it will be completed within a one week time frame.

Proposals:

This RFP is also available at greathawk.org. Questions are welcome by email at arb@greathawk.org. Please submit all written bid proposals including proof of current liability insurance and any letters of reference before the bid closing date. Proposals may be sent by postal mail or by e-mail at the addresses below. The selected bidder will be notified shortly after the bid closing date.
